Section 1 – Background and Project Overview

- A. The Panhandle Area Educational Consortium (PAEC) is an organization created by Florida statutes to serve the small, rural school districts in the Florida Panhandle. The Consortium is governed by the 14 school superintendents in Calhoun, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Liberty, Madison, Taylor, Wakulla, Walton, Washington, and FAMU Developmental Research School. The Washington County, Florida School District is the fiscal agent for the consortium. The consortium works with the districts on several initiatives including purchasing and does so through the *Florida Buy State Cooperative Purchasing* program. The program was created exclusively to serve the needs of member and participating school districts which include all **67 school districts in Florida as well as all public, private, and charter schools. The services and the commodities awarded through the program are also made available to public colleges, universities, cities, counties, state agencies, non-profit organizations as well as other eligible entities in other states.**
- B. In 2016, the Florida Legislature recognized the authority of “*Cooperative State Purchasing Programs managed through Regional Consortium Service Organizations*” (RCSO) to serve as an option for the purchase of “*commodities and contractual services*” for district school boards and the Florida College System. This new law, **F.S. 1010.04 (1) (b)** requires such institutions “*to review pricing through state term contracts*” or RCSO.
- C. The North East Florida Educational Consortium (NEFEC), which consists of the school districts in Baker, Bradford, Columbia, Dixie, Flagler, Gilchrist, Hamilton, Lafayette, Levy, Nassau, Putnam, Suwannee, Union, P.K. Yonge DRS, and the Florida School for the Deaf and Blind, and Heartland Educational Consortium (HEC), which consists of the school districts in DeSoto, Glades, Hardee, Hendry, Highlands, and Okeechobee, partner with the Florida Buy program to extend the discounted products and services to schools, school districts, and other eligible entities in their regional educational consortiums.
- D. It is the intention of the Florida Buy State Cooperative Purchasing program to seek a proposal/s from a manufacturer, or a national distributor, or a company with distribution channels broadly scattered to serve all regions in Florida and beyond, and that provide Scoreboard, Marquees, Digital Signage, Related Products and Services. Florida Buy State Cooperative Purchasing is seeking a comprehensive and competitively solicited master agreement that offers products and services to public agencies and other eligible entities in Florida as well as other states where appropriate. It does not, however, constitute an offer to purchase products by the Florida Buy State Cooperative Purchasing program. The objective is to achieve cost savings through a single competitive solicitation process that eliminates the need for multiple proposals while combining the purchasing power of multiple sources and reducing the administrative costs to both vendor/partners and eligible buyers.
- E. Components of this solicitation would include, but not be limited to a full line of Scoreboards, Marquees, installation, and services with related products and supplies, and should be read to include, but not to be limited to Scoreboards, Marquee Signs, Message Boards, Jumbotrons, LED Displays, and Video Displays.

By signature on a proposal evaluation worksheet, evaluator is confirming no conflict of interest exists with the offeror being evaluated.
